

## Mandated Reporter Training, Resource & Referral Services Offered!

Child abuse is a serious issue with devastating consequences both for individuals and communities. ***If you are a mandated reporter, you have a legal responsibility to make a report of suspected child abuse.*** We understand that this is a difficult area of responsibility. That is why we provide classes to assist you in meeting this obligation. The training offered by Marin CAPC is free. Call Cyndy at (415) 507-0181, to schedule your training.

If you ever have any ?s  
pertaining to children and children's issues,  
not just those involved with abuse,  
please feel free to contact our Program Director
